BEYOND CONSULTING

Sole Provider of  Services

Empowering Healthcare Excellence in Saudi Arabia

Discover Our Commitment to Quality and Safety

Discover Our Commitment to Quality and Safety Beyond Consulting—the sole representative and service provider of HCACI in Saudi Arabia—is dedicated to enhancing healthcare quality and safety across the Kingdom. This exclusive partnership aims to implement innovative solutions and best practices that elevate healthcare standards, develop, implement quality management systems, build capacity and improve patient outcomes.

About HCACI

The Health Care Advisory Consortium - International (HCACI) is dedicated to advancing healthcare quality through consulting, research, and specialized training. Our mission is to help healthcare institutions, governments and individuals to reach and maintain high standards of excellence, prioritizing patient safety and quality care in all our efforts.

Exclusive Partnership with Beyond Consulting

Beyond Consulting is HCACI's sole representative and service provider in Saudi Arabia, bringing more than 20 years of expertise and offering solutions designed to align with the Kingdom's healthcare transformation goals. This partnership ensures we can meet the region's evolving healthcare needs and drive improvements in patient outcomes.

Why This Partnership Matters

Localized Solutions: Tailored services that merge international standards with deep local expertise.

Shared Expertise: Leveraging both HCACI's global and Beyond Consulting's regional knowledge in healthcare quality and operational excellence.

Commitment to Vision 2030: Supporting Saudi Arabia's vision for a sustainable, high-quality healthcare system that benefits all.

Our Services

HCACI Serves you through Beyond Consulting
We provide a range of specialized services, including:

Training and Capacity Building

Customized programs aimed at enhancing professional competencies within the health and social care sectors. This encompasses EJAWDA, HCACI's online platform, which delivers flexible and accessible training resources tailored to the evolving needs of healthcare professionals.

Quality Improvement Programs

Evidence-based initiatives designed to optimize organizational processes and enhance performance across various sectors, fostering measurable improvements in service delivery and patient outcomes.

Organizational Readiness and Reform Assessment

Comprehensive assessments that evaluate an organization's preparedness for reform initiatives, accompanied by strategic recommendations tailored to meet the unique challenges of diverse sectors.

Policy Advisory and Governance Support

Providing expert guidance to facilitate policy reforms and enhance governance structures, ensuring compliance with best practices applicable across a range of industries.

Design and Implementation of Quality Management Systems

Tailored services focused on the design and execution of quality management systems that guarantee compliance with international standards, thereby fostering a culture of continuous improvement within organizations.

Stakeholder Engagement and Awareness Programs
Initiatives aimed at bolstering stakeholder engagement and awareness, thereby supporting quality improvement efforts in both healthcare and social care sectors.

Clients and Partners

Beyond Consulting partnership with HCACI in Saudi Arabia, brings a diversified and rich base of expertise and experts who have served a wide range of clients in the MENA and Gulf regions, as well as international markets. We collaborate with government bodies, councils, and public entities; healthcare facilities across the public, private, academic, and NGO sectors; health and social care institutions; professionals and providers; and prominent international organizations such as USAID, UNICEF, UNFPA, WHO, the World Bank, and the EU.
